This formidable and amazing 3-way screen speaker is one of our state-of-the-art premium products. Delivering a perfectly flat response, it features Hi-End quality and a power delivery of 925W for external amplification, helped by an internal crossover/processor that divides the high, medium and bass frequencies. The treble unit is "horn loaded" achieving true cinema sound at home. Designed for either professional dubbing theatres, VIP Cinemas or high-end home theatre installations featuring Dolby 5.1 or 7.1, Atmos, DTS-X, Auro or any multichannel system. It features a high resistance polyurea coating, Hi-End connectors and color customizable front trim in either lacquered or varnished finishing.
