

AUREA 954 V3 THX

This is the evolution of our well know **AUREA 954** and it's **THX Approved**.

A further improved syntonisation and a new 18" unit deliver the best subwoofer frequencies.

The **AUREA 954 V3 THX** is a perfect subunit for mediums and big sized cinemas, depending on the number of units installed, and ready to the reinforce for Two way/ virtual three-wy screen systems models and Line array screen systems models

This system has a **polyurea finish**.
